

nation infrastructure a D grade. That is unacceptable for the greatest country in the world.

Transportation and Infrastructure funding is absolutely critical to the nation, and, if properly funded, serves as a tremendous economic and job creator. In fact, Department of Transportation (DOT) statistics show that for every \$1 billion invested in transportation infrastructure, 44,000 jobs are created, as is \$6.2 billion in economic activity.

So, as the Transportation & Infrastructure committee prepares the next transportation reauthorization bill, I hope we can develop a long term bill with dedicated funding source for all modes of transportation so we can improve our nation's infrastructure, create jobs and improve the economy, and provide new and innovative transportation options for the traveling public.

So the motion was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Ms. KELLY of Illinois. Mr. Speaker, on roll-call No. 473, had I been present, I would have voted "no."

LEGISLATIVE PROGRAM

(Mr. MCCARTHY of California asked and was given permission to address the House for 1 minute.)

Mr. MCCARTHY of California. Madam Speaker, I want to advise all Members that additional votes are possible today. We will send out information as soon as it is possible.

Mr. HOYER. Will the gentleman yield?

Mr. MCCARTHY of California. I yield to the gentleman from Maryland.

Mr. HOYER. I thank the gentleman.

We are going to have to call some Members back. They already left on the representation that this was the last vote of the day. I would imagine you have some Members that are in that category themselves.

Can the gentleman give me any idea of when we will have notice as to whether or not there will be further votes today?

Mr. MCCARTHY of California. Knowing that some Members, with this vote just now closed, and earlier they announced that we would not walk off the floor until 3:45, I think it is possible to advise all Members that it is possible to have votes later today.

I am hopeful that by late this afternoon we will be able to notify the time of it.

THE JOURNAL

The SPEAKER pro tempore. Without objection, 5-minute voting will continue.

There was no objection.

The SPEAKER pro tempore. The unfinished business is the question on agreeing to the Speaker's approval of the Journal, which the Chair will put de novo.

The question is on the Speaker's approval of the Journal.

Pursuant to clause 1, rule I, the Journal stands approved.
